

Rebekah L. Altizer, M.S.

EDUCATION

University of Colorado Colorado Springs, Colorado Springs, CO *December 2011*
M.S. Forensic Science

University of Colorado Colorado Springs, Colorado Springs, CO *December 2009*
B.A. Chemistry
• Minor: Forensic Science

EXPERIENCE

ChemaTox Laboratory, Inc. *July 2018 - August 2019*
Forensic Lab Technician

- Responsible for sample preparation and forensic toxicology testing of biological samples in accordance with laboratory standard operating procedures.
- Properly document status of testing and perform accurate review of data
- Assist in preparation of laboratory standards and reagents.
- Set up, maintain, and use laboratory equipment, such as Enzyme Linked Immunosorbent Assay (ELISA), Gas Chromatography/Mass Spectrometry (GC/MS), and Ultra Performance Liquid Chromatography/Tandem Mass Spectrometry (UPLC/MS/MS).
- Assist in other laboratory duties and special projects as assigned by supervisor.

Red Mountain Lab *March - May 2018*
LC/MS Laboratory Technician

- Perform sample prep procedures for LC/MS/MS assays
- Prepare analytical standards, internal standards, and hydrolysis controls according to SOPs
- Perform maintenance on LC/MS/MS equipment

Lab Initiatives *October 2017 - March 2018*
Compliance Liaison/Accessioner

- Ensure laboratory is compliant and update policies and procedures as needed
- Accession specimens into LIMS system for laboratory
- File patient requisitions and maintain document control for laboratory

Las Vegas Metropolitan Police Department - Forensic Laboratory *July 2013 - May 2017*
Forensic Scientist II

- Receive and analyze suspected controlled substance evidence using instrumentation (GC/MS, GC/FID, GC/LTM, FT-IR, XRF), testify in court when needed
- Perform technical and administrative reviews as assigned
- Method validation on GC/MS instruments
- Assisted in determining uncertainty of measurement for balances
- Prepare and quality check reagents, balances, pipettes, etc. as needed

- Safety Committee liaison and Public Relations Committee liaison for Controlled Substances Unit

University of Colorado Health/Memorial Hospital*November 2012 - July 2013*

Laboratory Assistant I

- Maintain and clean histology processors, change out chemicals and paraffin wax as needed
- Accession specimens into PowerPath system for Pathologists and Histotechnicians
- Decontaminate cryostat weekly; clean laboratory benches and equipment as needed

Colorado Department of Public Health and Environment - Toxicology*June - July 2009*

Summer Intern

- Observed lab technicians prep samples, perform extractions, and analyze results
- Re-analyzed blood samples to measure degree of degradation
- Entered results, created spreadsheets and graphs for quality control logs
